# Thorncroft Summer Camp

Thorncroft Summer Camp introduces riders to the excitement, challenges, and responsibilities of horseback riding and care. Riders of all levels will enjoy the experience of learning about the sport of horseback riding while having fun with friends!

# A Campers Day

Campers will meet their instructors and CIT's each morning in the Great Room by the North Arena, entering through the green double doors. Under the guidance of a seasoned riding instructor and assisted by our CIT's, campers will learn the basics of grooming, tacking, and riding.

## Ride...

Campers will receive a one hour riding lesson each day tailored towards the ability and experience of each individual rider. Emphasizing hands on experience, we strive to reach a balance between work and fun.

## Swim...

Accompanied by their instructors, campers will enjoy water games and swimming at the Farm pool.

## Arts & Crafts...

Campers express their creativity with various arts and crafts projects and at the end of each week will take home a keepsake as well as memories of new friends, both two legged and four!
