Hosted by Thorncroft Equestrian Center
Saturday, May 29, 2021 | Virtual Show
Sunday, May 30, 2021 | The Grounds of the Devon Horse Show

March 1, 2021

Dear Friends,

We are pleased to enclose the prize list for the 42nd Annual Therapeutic Riders Division of the Devon Horse Show. With the health and safety of our community of paramount importance, the committee of the Therapeutic Riders Division of the Devon Horse Show confirms that this year's show will be held in a virtual format, to be presented in a special, online presentation on Saturday, May 29, 2021.

As of February 1, 2021, we hope to move forward with the trophy ceremonies and Grand Champion class to be held in person at the Devon Horse Show Grounds on Sunday, May 30, 2021.

To accommodate the temporary change in format and its detailed organization, the timing of judging, and assembly of the virtual program, we can accept a maximum of 15 riders per program to enter. We look forward to 2022, where we may welcome all riders to return.

An additional temporary change for 2021 only will be removing the jumping classes of the event and the Horse of the Year Competition.

We appreciate in advance your flexibility as we temporarily pivot to a virtual show to allow for the spirit of this important competition to remain.

Best regards,

VIDEO GUIDELINES

1. Prior to filming each class, the videographer must show a complete Rider Video Entry card (provided in this prize list) to the camera so we may easily identify the rider, class, horse, and program.
2. Videos of the assigned test or pattern should not be edited but rather a continuous film from beginning to end.
3. The normal background sound for the test must be audible. There must be no music incorporated into the video unless specifically requested (e.g., The Musical Kur). Videos must not be muted.
4. **Videos must be submitted to Dropbox at bit.ly/trd2021 by April 26, 2021** and put in the applicable Division and Class Folder. Please title each video as follows [Last Name] [First Name] [Division] [Class #] [Program] [Horse Name]. For example: SmithJohnDivision1Class 1ThorncroftBanjo
5. Each video should contain only one class per rider. For example Rider John A. competes in an equitation, trail, and dressage test. They would then upload three single videos of each class and file them in the appropriate folder on Dropbox.
6. For equitation and trail, the videographer should stand outside of the ring/arena approximately halfway down the longside. Videos may be shot using a cell phone or video camera. For dressage, please film from Letter C. **If you are using a mobile device, ensure the video is landscape (horizontal.)** You may stop the recording once the rider has completed their pattern (Equitation, Trail) or exited the arena. (Dressage)
7. Each video should showcase the whole horse and rider at all times. Please do not use excessive zooming. Using a stabilizing device for the camera is encouraged.
8. **Videos are accepted for submission via Dropbox only at bit.ly/trd2021 by April 26, 2021.**

RULES AND REGULATIONS

The primary purpose of following rules is to insure safety and equitable judging.

1. **All exhibitors are to be safely attired. Helmets are required. Whenever possible, all riders will wear hard soled shoes with heels. In the absence of heeled shoes, the rider must have safety stirrups.**
2. No rider shall be attached to the horse in any way.
3. Side reins or draw reins are forbidden, however, anti-grass reins AKA over check will be permitted in grass arenas only.
4. Program coaches will be required to see that all tack is in good working conditions.
5. Leaders and side aides are reminded that their function is to provide safety. Unneeded or excessive interference will result in substantial penalties for the rider.
6. Any entry who presents themselves to the judge with more aides than described in their class may submit their entry but will receive **NO SCORE**.
7. **Entry form must be completed and signed before any rider may participate in T.R.D.**
