The primary purpose of following rules is to ensure safety and equitable judging.

1. **All exhibitors are to be safely attired. Helmets are required. Whenever possible, all riders will wear hard soled shoes with heels. In the absence of heeled shoes, the rider must have safety stirrups.**
2. No rider shall be attached to the horse in any way.
3. Side reins or draw reins are forbidden, however, anti-grass reins AKA over check, will be permitted in grass arenas only.
4. Program coaches will be required to see that all tack is in good working conditions.
5. Leaders and side aides are reminded that their function is to provide safety. Unneeded or excessive interference will result in substantial penalties for the rider.
6. **Entry form and liability release must be completed and signed before any rider may participate in T.R.D.**
7. Negative Coggins taken within the last twelve (12) months must be included with entry form.
8. Minor lameness of any horse will be tolerated, however, at the discretion of the technical delegate or judge, any horse whose lameness presents a danger to the rider, or undue stress on the animal, may be eliminated from further classes.
9. Any class may be divided to junior and senior as entries warrant. You **MUST** indicate the competitor's age on the entry form. Insufficient entries may cause a class to be canceled.
10. No class will be delayed if a rider is not ready to compete. In the event of a scheduling conflict, equitation takes precedence. Any rider who is delayed by a scheduling conflict should inform the gatekeeper as soon as possible. No penalties will be incurred for riders who are late for Dressage or Trail arenas if they are delayed in the Equitation arena, or due to a horse scheduling conflict.

TRAVEL SUBSIDY INFORMATION

As in the past, the purpose of the subsidy is to allow competitors with special financial constraints the ability to participate in a premier horse show. These funds will not, nor were they intended to underwrite all of the costs involved with bringing riders to the show. The rider's ability or level of skill is not a limiting factor. Due to the limited resources available, we ask that both the potential participants and any programs exhaust all other possible funding sources in their area before applying for our travel subsidy fund.

PLEASE NOTE: Application for travel subsidies must be postmarked no later than April 3, 2023.
